# WHY AND HOW TO FOCUS ON VALUES?

---

## I. Values are what matter to us, the meaning that gives life purpose and direction.

A. Consider yourself from three different periods in your life and select the Value(s) you believe to be at the center of that time:

1. PAST: \_\_\_\_\_

2. NOW: \_\_\_\_\_

3. FUTURE: \_\_\_\_\_

## II. Values are how we get Triggered: a mental framing of an experience that, when violated or supported, leads to an internal reaction, i.e. an emotion.

A. Think of three situations where you felt a strong reaction and identify what Value was being unsupported or violated. Its ok if there are more than one:

1. \_\_\_\_\_ : \_\_\_\_\_

2. \_\_\_\_\_ : \_\_\_\_\_

3. \_\_\_\_\_ : \_\_\_\_\_

## III. Values provide points of contact interacting with others within our personal stories.

A. Select three identities you define yourself by (son/daughter, parent, employee, political or religious affiliation, etc.) What Value(s) are fundamental to each?

1. \_\_\_\_\_ : \_\_\_\_\_

2. \_\_\_\_\_ : \_\_\_\_\_

3. \_\_\_\_\_ : \_\_\_\_\_

## IV. Values are always supported by our actions or Behavior. Every act we commit is in service to what we care about.

A. Select a recent behavior and identify what Value you were attempting to support:

1. \_\_\_\_\_

B. Do the same thing but this time selecting someone else's behavior:

1. \_\_\_\_\_
